F FERRIS
HIGH SCHOOL
SPEECH & DEBATE CAMP
— **GRADES 6–9** —

**Got something to say?
We'll help you say it louder.**

Trade screen time for stage time at the most fun, fast-paced camp in town. Over six days, campers will learn to think on their feet, build winning arguments, decode the messages all around them, and speak with confidence—all through games, friendly competitions, and plenty of socializing.

This isn't your typical summer camp. It's the **smart, social alternative to athletic camps**—a place where curious kids meet new friends, sharpen their minds, and jumpstart their school year before the first bell even rings.
